

# Taraz State University

## 2017-2018 Fact Sheet

Official name:	Taraz State University
Rector:	Prof. Dr. Makhmetgali Sarybekov
Bologna Process and Academic Mobility Department:	Suleymenov str., 7 080012 Taraz Kazakhstan T. +7 7262 454753 Email: <a href="mailto:elmaal2001@yahoo.com">elmaal2001@yahoo.com</a> <a href="http://www.tarsu.kz">www.tarsu.kz</a>

Facts and Figures	
Foundation	Founded in 1958
Language of instruction	All programmes are carried out in Kazakh or Russian. Several courses are taught in English.
Faculties	-Faculty of Computer Sciences -Faculty of Oil, Gas and Mechanics -Faculty of Technology -Faculty of Law -Faculty of Economics and Business -Faculty of Humanities -Faculty of Water Resources, Ecology and Construction
Staff	1700 staff members
Students	11 000 students
Ranking	Webometrics – 11104 place

Organisation of the academic year
Winter semester: September 1 – December 15 Final Exams: December 15 –29 Spring semester: January 25 – May 13 Final Exams: May 16 – 27  Nominations deadline: 15 <sup>th</sup> November for winter semester/ 15 <sup>th</sup> May for summer semester  A detailed academic calendar can be found on the website.

<b>Application procedure</b>
<p>Documents to be sent:</p> <ol style="list-style-type: none"> <li>1. Nomination Letter</li> <li>2. Exchange Learning Agreement</li> <li>3. Transcript of Records</li> <li>4. Copy of passport</li> <li>5. Programme outline</li> </ol> <p>Scanned version of the forms can be accepted. However we will need the original upon the arrival.</p> <p>We will provide the original Letter of Invitation by air mail. We will also support the students in obtaining visa.</p>
<b>Language requirements</b>
<p>Students must possess the level of English language not below B1. For teaching staff – B2 and above.</p>
<b>Accommodation</b>
<p>Housing is available at the University dormitories at the campuses. The dorms are located in the campuses, 5 minutes by walk from the faculties.</p> <p>Average cost of an offer is about 12€ per month per person. Double and triple rooms are the most common offer. Kitchen and bathrooms are common for the whole floor. Rooms comprise bed, desk, chair, wardrobe and shelving; all have internet access. For exchange students dormitory is free of charge.</p>
<b>Student support services</b>
<p>International students can find support, advice and guidance on a various type of issues at the Bologna Process and Academic Mobility Department.</p>

---

## Undergraduate Programs

Law	Foreign languages: two foreign languages	Transport, Transport Equipment and Technology
International Law	History	Electrical Engineering
Customs Affairs	Philology	Technological Machines and Equipment
Economics	Translation	Agricultural Technical and Technology
Management	Foreign philology	Agriculture Power Supply
Accounting and Auditing	Cultural and Leisure Work	Transport and Traffic Studies
Finance	Psychology	Radio Engineering, Electronics and Telecommunications
Government and Local Management	Journalism	Design
Tourism	Physics	Mathematics
Socio-cultural Service	Automation Management	Informatics
Valuation	Oil and Gas Engineering	
Physical Education	Mechanical Engineering	

Chemistry	Technology of Processing Industries	Life Safety and Environmental Protection
Biotechnology	Standardization, Metrology and Certification	Agronomy
Biology	Technology and Design of Textile Materials	Water Resources Management
Computers and Software	Restaurant and Hotel Management	Land Reclamation, Recultivation and Land Protection
Information Systems	Architecture	Land Management
Material Science and New Materials Technology	Ecology	Cadastré
Chemical Technology of Inorganic Substances	Geography	Transportation Construction
Technology and Product Design of Light Industry	Construction	Mining Engineering (Karatau)
Food Science and Technology	Production of Building Materials and Products	

---

## Master Programs

History	Information Systems	Life Safety and Environmental Protection
Philology	Material Science and New Materials Technology	Standardization and Certification (by the application)
Law	Mechanical Engineering	Technology and Design of Textile Materials
Design	Transport, Transport Equipment and Technology	Nanomaterials and Nanotechnology (by the field of study)
Psychology	Electrical Engineering	Hydraulic Technical and Constructions
Economics	Chemical Technology of Inorganic Substances	Metrology
Management	Technological Machines and Equipment (by the application)	Water Resources Management
Accounting and Auditing	Technology and Product Design of Light Industry (by the field of study)	Land Reclamation, Recultivation and Land Protection
Finance	Food Science and Technology (by the field of study)	Land Management
Socio-cultural Service	Technology of Processing Industries (by the application)	Geoecology and Environmental Management
Mathematics	Construction	Transport and Traffic Studies
Informatics	Production of Building Materials and Products	
Chemistry		
Biology		
Ecology		
Automation Management		

---

## PhD Programs

Chemistry
Land Improvement, Recultivation and Land Protection
Water Resources and Use of Water
