

CALL FOR PAPERS

**The Twentieth International Conference on Management
Science and Engineering Management
Manchester, the United Kingdom
July 27-29, 2026
<http://www.icmsem.org/>**

The International Conference on Management Science and Engineering Management (ICMSEM), an annual conference, is organized by the International Society of Management Science and Engineering Management (ISMSEM). The conference will foster international research collaborations in Management Science and Engineering Management as well as provide a forum for presenting current research in the form of technical sessions and round table discussions during the conference period in a nice relaxing enjoyable atmosphere. Springer will be applied to publish all the accepted papers of 2026 ICMSEM.

CONFERENCE TOPICS

The program committee and organizing committee of ICMSEM cordially invite you to submit your paper to the Twentieth ICMSEM (2026 ICMSEM), encouraging you to solve problems, put forward new ideas and innovate with new methods and technologies for practical problems. All papers related to theoretical developments and applications of management science and engineering management are warmly welcomed. The proceedings of the 20th ICMSEM (2026) will be submitted to EI Compendex and Scopus for retrieval

PAPER SUBMISSION

Submissions must contain original and unpublished research results, written in English. Manuscripts must exceed 8 pages in the final formatted version using the official LaTeX template or Word template. All submissions should be uploaded through the conference submission system: <http://icmsem.ai-s.cn/submission/guide.asp>. As an international conference, we actively encourage collaborative research involving authors from multiple countries/institutions. The submitted articles will be checked for plagiarism by the Ithenticate system. The conference requires that the plagiarism rate of the articles should be 20% or lower. A dedicated program committee will conduct rigorous peer review, with a notable enhancement: Outstanding papers will be awarded Grand, Runner-up, and Nominated awards with corresponding certificates and monetary prizes.
